Breakfast, lunch and dinner are an exclusive experience at Greco Levante, our panoramic restaurant.

ALTERNATIVE À LA CARTE EXPERIENCES

Stays of seven nights include three à la carte visits, one at each restaurant. Stays of four nights or fewer include two à la carte dinners. More visits can be arranged, subject to availability. Reservations must be made at least one day in advance, through the online reservation system or the Reservations Agent.

DRINKS & REFRESHMENTS

Unlimited branded drinks are included in all bars and with all meals, at no extra charge. At the beach and pool, all snacks and drinks are included. The minibar is fully stocked and replenished daily. Extra replenishments and additional items are available on request, at an extra charge.

Notes

Some items are not included in the Ultra All-Inclusive program and are charged extra: premium à la carte items such as lobster and premium cuts, premium goods such as cigars, signature alcoholic drinks such as black labels and reserves, champagne and fine wines, room service, and minibar items beyond the daily inclusions. All guests, whatever their room type, can enjoy the Aulūs Night Out once per stay. It's an evening in the town of Agios Nikolaos with a free round-trip minibus shuttle*, a free drink or cocktail at a local bar, and 10% off at selected shops and souvenir stores.

*The shuttle runs on a fixed schedule.
