STATEMENTS OF COMMITMENT

Statement of Commitment to Sustainability and Ethical Practices

At Domes Aulus Zante, we are fully dedicated to advancing sustainability and ethical practices in all aspects of our operations. In our pursuit of Travelife certification, we recognize the importance of integrating responsible business practices that benefit the environment, our employees, our community, and society as a whole. Below, we outline our detailed commitments in key areas:

Reducing Greenhouse Gas Emissions

We are committed to minimizing our carbon footprint through responsible energy use, efficient operations, and the adoption of sustainable practices. By integrating partially renewable energy sources, reducing waste, and implementing energy-saving technologies, we strive to significantly lower our greenhouse gas emissions.

We are committed to actively reducing our greenhouse gas emissions through a multifaceted approach that includes:

- **Energy Efficiency:** We implement energy-saving technologies, such as LED lighting, energy-efficient appliances, and continuous training to our associates.
- **Renewable Energy:** We are using solar for water heating and we are exploring ways to meet renewable energy needs and reduce reliance on fossil fuels.
- **Sustainable Transportation:** We promote carpooling in our associates and public transportation among our staff and guests to reduce emissions from travel.

By setting measurable targets and regularly reviewing our progress, we aim to achieve significant reductions in our carbon footprint.

STATEMENTS OF COMMITMENT

Protecting and Supporting Biodiversity

We pledge to protect and enhance biodiversity by reducing our environmental impact and supporting conservation efforts. Our commitment includes preserving natural habitats, reducing pollution, and supporting local initiatives that contribute to the protection of ecosystems and wildlife.

We are committed to preserving and enhancing biodiversity through:

- **Sustainable Land Use:** We ensure that our operations, including construction and landscaping, do not disrupt local ecosystems and biodiversity. This includes protecting natural habitats and avoiding deforestation.
- **Supporting Conservation Efforts:** We collaborate with local and global conservation organizations to support projects that protect natural habitats.
- **Reducing Pollution:** We actively work to reduce pollution by minimizing the use of harmful chemicals, properly managing waste, and preventing contamination of water sources.
- **Education and Awareness:** We engage our staff, guests, and local communities in educational programs that highlight the importance of biodiversity and encourage responsible behavior.

Our goal is to not only minimize our impact on biodiversity but also contribute to its enhancement wherever possible.

STATEMENTS OF COMMITMENT

Treating Our Staff Fairly

We are dedicated to fostering a positive, inclusive, and equitable work environment where all employees are treated with respect and fairness. This includes ensuring fair wages, safe working conditions, opportunities for professional development, and a culture that values diversity and well-being.

We believe that our employees are our greatest asset, and we are committed to ensuring their well-being through:

- **Fair Wages and Benefits:** We provide fair and competitive wages, benefits, and opportunities for advancement, ensuring that all employees are compensated appropriately for their work.
- **Safe and Healthy Work Environment:** We are committed to providing a safe, secure, and healthy workplace. This includes regular safety training, access to health services, and a commitment to workplace safety standards.
- **Diversity and Inclusion:** We foster a culture of diversity and inclusion, where all employees are respected and valued regardless of gender, race, religion, or background. We actively work to eliminate discrimination and promote equality.
- **Professional Development:** We invest in our employees' growth by offering training programs, skill development opportunities, and clear career pathways.

Our approach ensures that every employee feels supported, valued, and empowered to contribute to our collective success.

STATEMENTS OF COMMITMENT

Protecting and Respecting Human Rights

We commit to upholding and promoting human rights in all areas of our operations. We ensure that our business practices respect the dignity and rights of all individuals, from our employees to the communities we engage with. This includes strict adherence to international labor standards and zero tolerance for discrimination or exploitation.

Our commitment to human rights is reflected in every aspect of our operations, including:

- **Ethical Labor Practices:** We adhere to international labor standards, ensuring that all employment is freely chosen, and that no forced or child labor is used within our operations or supply chains.
- **Supply Chain Responsibility:** We conduct due diligence to ensure that our suppliers also adhere to high human rights standards, including fair wages, safe working conditions, and respect for workers' rights.
- **Non-Discrimination:** We enforce strict policies against discrimination, harassment, and exploitation. We promote equal opportunities and respect for all individuals.
- **Transparency:** We are committed to transparency in our business practices, regularly reporting on our human rights performance and engaging stakeholders in dialogue about our efforts.

Through these commitments, we aim to uphold and promote human dignity and justice in every area of our business.

STATEMENTS OF COMMITMENT

Being a Responsible Member of Our Community

As an active and responsible member of the community, we commit to contributing positively to local development, supporting social initiatives, and engaging with community stakeholders. We believe in building strong, mutually beneficial relationships that enhance the social, cultural, and economic fabric of the areas where we operate.

We are dedicated to being a positive force within our community by:

- **Local Employment and Economic Development:** We prioritize hiring local staff and supporting local businesses, helping to boost the local economy and create sustainable livelihoods.
- **Cultural Preservation:** We respect and promote local cultures and traditions, ensuring that our operations do not disrupt or erode cultural heritage. We encourage guests to engage with and appreciate local culture in a respectful manner.
- **Community Engagement:** We actively participate in community development projects, including education, healthcare, and infrastructure improvements, that benefit the wider community.
- **Charitable Initiatives:** We support and contribute to charitable causes, both financially and through volunteering, to address social issues and improve the quality of life in our community.

Our goal is to build strong, lasting relationships with our community based on mutual respect and shared benefits.

STATEMENTS OF COMMITMENT

Safeguarding Children

We recognize the importance of protecting children from harm and exploitation. Our commitment includes implementing policies and practices that ensure the safety and well-being of children, both within our operations and in the communities we serve. We actively work to raise awareness and prevent any form of child abuse or exploitation.

We are committed to protecting children from harm and exploitation through:

- **Child Protection Policies:** We have implemented strict child protection policies that are enforced across all areas of our operations. This includes training our staff to recognize and respond to signs of child abuse or exploitation.
- **Awareness Campaigns:** We engage in campaigns to raise awareness about child protection issues among our staff, guests, and the wider community, emphasizing the importance of creating a safe environment for children.
- **Zero Tolerance Policy:** We enforce a zero-tolerance policy for any form of child exploitation or abuse, and we take immediate and decisive action if such issues arise.

By prioritizing the safety and well-being of children, we contribute to a world where every child can grow and thrive in a secure environment.

CONCLUSION

At Domes Aulus Zante, our commitment to sustainability, ethical practices, and community engagement is at the core of everything we do. We continuously strive to improve our practices and align our operations with the highest standards of responsibility and integrity. By doing so, we ensure that we not only meet but exceed the requirements of Travelife certification, making a positive impact on the environment, our people, and society as a whole.

Environmental Performance Analysis

Recommendations

Raise even more awareness engage both employees and guests in sustainability practices, educating them on water conservation methods. Enhance data collection and monitoring to avoid gaps in reporting and ensure timely adjustments to sustainability strategies. Replacing standard fixtures with low-flow showerheads, faucets, and toilets can decrease water usage without compromising functionality. Conducting regular inspections and repairs to identify and fix leaks in the plumbing system can prevent unnecessary water losses. Installing rainwater harvesting systems can provide an additional water source for non-potable uses, reducing the demand on groundwater resources.

Implementing these measures will help manage water consumption more effectively, reducing both costs and environmental impact.

Our Goals

Greenhouse emission reduction goal

To reduce our greenhouse gas emissions from energy by 2%

Reduce our food waste by 10%

Biodiversity Goal

Enhancement of environmental activities

Water Goals

To maintain our water consumptions and preservation from increase

Community Support

Participation in local community events

Environmental Performance Analysis

Procurement Consumptions

The data indicates a shift in purchasing patterns between 2023 and 2024, with a marked reduction in meat purchases and dairy product purchases.

For meat supplies we adjust stock levels and marketing strategies to align with decreased demand for certain meat products. For dairy supplies we find more local based products to meet the growing demand for dairy products.

For Environmentally hazardous substances we have slight increase.

Community & Environmental Engagement

As part of our CSR program we are in continuous cooperation with our community, below are mentioned some our actions and certifications.
