# Quality Assurance Policy

- Ledra Hotels and Villas is committed to maintaining high standards and ensuring quality for our guests, staff and other stakeholders. We regularly seek feedback from our staff, guests and external contractors about their experience with us and use this information to continually improve our operations.
- **Monitoring Quality**
- In order to maintain our quality standards, we have the following procedures in place to receive feedback and to continually improve our services:
- **Guests Feedback**
- Hotel Questionnaires are provided at the rooms before departure. These can also be completed anonymously or by name with the Gdpr reference and are collected at the reception. Any serious issues are dealt immediately and the feedback is collected and sent to senior management daily, along with any recommendations for improvements. Every month the quality department proceeds to statistical analysis through survey monkey results and GSS results and the results are shared with the departments.
- Guests can also leave their comments on a satisfaction card that is given by the guest relation team, during their stay,
- Our hotel directory booklet in each room contains information on how guests can contact the senior management or the departments.

# Quality Assurance Policy

- A signage with Manager on Duty is displayed on reception in case the guests wish to make any comments.
- Every year we train our staff on how to deal with guest complaints and procedures for handling guest complaints.
- Business cards of our Guest Relation Department are offered upon arrival.
- A daily report from Guest Relation Team is sent to the management daily.
- Guest Voice Platform of Marriott (GSS) is another source of feedback
- Feedback sites and social media are daily checked by our Guest Relation Team regarding the feedback.
- **Staff Feedback**
- We have the following procedures in place to ensure we are monitoring staff feedback and making any necessary changes to our business as a result of that feedback:
  - The management team performs daily meetings.
  - Each Department has daily meetings.
  - A locked employee suggestion box is located in our employee corner. The employee comments are collected every Monday and the information is communicated at the morning management meeting.

# Quality Assurance Policy

- Inspections Feedback
- Domes Aulus Elounda is inspected yearly by the consultor company of ETAM, Travel Agents and TUV Hellas regarding our Standards of Operations. Internal Inspections are held regularly.
- All the reports are communicated to the senior management team and the above property team in case of need for improvements

# Animal Welfare Position Statement

We expect suppliers, vendors and business partners to conduct business consistent with our statement on animal welfare, and our environmental responsibility, social responsibility and community engagement. Standards, including sourcing animal products from responsible and legal sources.

We expect our suppliers, vendors and business partners to comply with local standards and encourage them to surpass, where feasible, international standards on the ethical, humane and legal treatment of animals.

Suppliers are encouraged to follow and work progressively toward adopting humane practices and procedures for sound animal husbandry as defined by the regulations and standards listed above, to prevent the mistreatment of animals, including when they are raised, cared for, transported and processed for ingredients/materials or utilized for entertainment attractions, tourism or experiences.

Suppliers should recognize their responsibility for the ethical treatment of animals in their care and in the care of their suppliers, employees, and contractors.

We encourage suppliers of animal experiences and attractions to utilize industry best practice guidelines for the protection and welfare of all animals in the tourism industry.

In partnership with our suppliers and business partners, we are committed to raising the standard of animal welfare across our supply chain.
